Proposal Offer

Eddie Mitchell.

I, Chauck Ah Sam Li, have full authority, unfettered autonomy, to \$460 Million New Zealand Dollars, for the purpose of level one;

- 1/ Project Funding and Salaries.
- 2/ Developments importing Bulk and Bottled Water into China Markets.
- 3/ Developments into High Performance Developments, Commercial and Residential Real Estate.
- 4/ Purchase or Lease Investments into Forestry Timber Mills Processing Plants.

Eddie, because of your Expertise, Integrity and Connections in these Industries, I am pleased to offer to retain your services as Chief Independent Consultant Officer, directly to myself only.

A Salary Annual Package of Seven Million New Zealand Dollars for each individual field, 2, 3, 4 Tax Free, Free from a Full Tax Obligation in New Zealand, to be paid in Advance, in full to your Nominated Bank.

Your Working Days and Hours for each individual field 2, 3 and 4, will be left entirely at your Discretion, you consult within. This will be Tax Free and Free from Tax obligations in New Zealand.

I envisage and hope you happily Remain Employed with our Company, as our Chief Independent Consultant Officer for 6 to 10 years or more.

Eddie, you may bring on board and retain a Project Manager in each field. The Project Managers will work directly with you, as discussed with you, with an Annual Salary Package of Two Hundred and Fifty Thousand New Zealand Dollars Tax Free and Free from Full Tax Obligations in New Zealand, with Annual Salary Reviews.

Immediately we would want to venture into Water Bulk and Bottled Investing into Water Bottling Consented Bores in Hawkes Bay, by way of purchasing available Bores or Leasing. Because of our vast market connections into China. Our financials into the water field start from 2 Billion Liters per year into China. This will generate a positive cash flow business, because of our China Markets.

If we are unable to invest in the purchases of Water Bores in Hawkes Bay, we would lease from you via Te Taurawhiri O Te Ao Maori Incorporation, 3 Bores at 11 Million Dollars that is 11 Million Dollars per individual Water Bore per year Tax Free, Free of Tax obligations for each individual Bore on an annual basis, with a ten, ten, ten year 30 year Leases Clause, with the first Right of Refusal Lease Clause.

This is a working Document Proposal to which I leave open to you for a 3 year period from 16 July 2021 to 16 July 2024.

Sincerely yours,

Chauck Ah Sam Li
