AFFIDAVIDS & CITATIONS from "MOAI CROWN" ADVOCATES of the HIGH COURT OF ADMIRALTY

NZ Constitution THE NEW ZEALAND CONSTITUTION ACTS. ENGLISH VERSION. "The New Zealand Constitution Act, 1852,"— 15 and 16 Victoria. Cap. 72. Sec. 71. Her Majesty may cause Laws of Aboriginal Native Inhabitants to be maintained, Passed 30th of June 1852

Section 71— And Whereas it may be expedient that the Laws, Customs, and Usage's of the Aboriginal or Native Inhabitants of New Zealand, so far as they are not repugnant to the general principles of Humanity. Should for the present be maintained for the Government of themselves.

in all their relations to and dealings with each other, and that particular districts should be set apart within which Laws, Customs, or Usage's should be so observed. It should be lawful for Her Majesty, by any Letters Patent to be issued under the Great Seal of the United Kingdom.

The Constitution encompasses Admiralty jurisdiction, and Coloring Agreement (Appendix B.5)

Admiralty jurisdiction encompasses the Uniform Commercial Code, and The U.C.C. encompasses contracts, including the "coloring agreement" and the "coloring agreement" encompasses the Constitution, once again! Some officials simply choose to be 'oath-less' in an attempt to 'cover their butts' from being sued (or 'lien ed on') for not 'upholding and defending' the state constitution?

"Coloring Agreement (Appendix B.5)" "Crown" Agents official s are/is under oath to defend the Constitution of New Zealand and Britain UK". "Admiralty and maritime work of the Court is limited to proceedings under ss.9, 27 and 28 of the Admiralty Act 1988 (Cth)"

"(3 & 4 Vict c 65) [7th August 1840]" "Admiralty Court Act, 1840" "2. [Concerning the right of appearance of advocates, surrogate and proctors of the Court of Arches to appear in the Court of Admiralty. Repealed by 42 & 43 Vict c 59]" "3. Whenever a vessel shall be arrested, etc., court to have jurisdiction over claims of mortgagees". Whenever any ship or vessel shall be under arrest by process issuing from the said High Court of

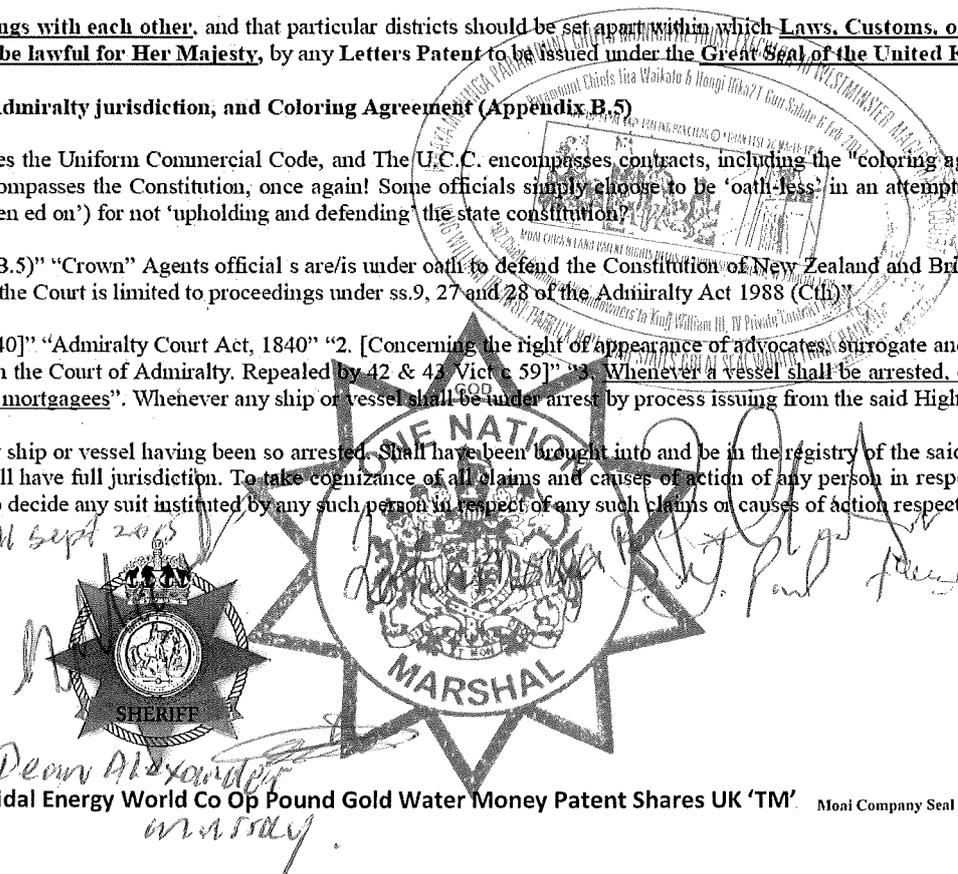

Admiralty' Or the proceeds of any ship or vessel having been so arrested, shall have been brought into and be in the registry of the said court. In either such case the said court shall have full jurisdiction. To take cognizance of all claims and causes of action of any person in respect of any mortgage of such ship or vessel, to decide any suit instituted by any such person in respect of any such claims or causes of action respectively.

A Legal Notice to all Agents of the so-called Crown of England and Elizabeth Windsor, and to all New Zealand and Pacific Island Citizens and Visitors

PUBLIC NOTICE

Wednesday, March 27, 2013

NEW ZEALAND IS DISSOLVED

A Legal Notice to all Agents of the so-called Crown of England and Elizabeth Windsor, and to all Zealand Citizens and Visitors

Issued by the Governing Council of 'The International Tribunal into Crimes of Church and State'

This **PUBLIC NOTICE** is issued to the Members of the Parliament of New Zealand, the New Zealand judiciary, the governmental civil service, and the active serving members of all New Zealand police and military forces, as well as to all citizens of New Zealand:

1. On February 25, 2013, a lawfully constituted Common Law Court of Justice found **Elizabeth Windsor, Queen of England and Head of State of New Zealand** and its churches, guilty as charged of **Crimes against Humanity** and of engaging in a **Criminal Conspiracy to conceal Genocide** extended from Canada into **New Zealand and Moai Pacific Islands Memorial Land Title Deeds Holders**. The same **verdict found New Zealand Prime Minister John Key guilty** of the same offenses as **Stephen Harper Prime Minister of Canada**.
2. This **verdict** was based on **irrefutable evidence**, including **eyewitness accounts of Elizabeth Windsor's personal involvement** in the forcible abduction and disappearance of ten children from the Kamloops Indian Residential School on October 10, 1964, while on a state visit to Canada. **Ms. Windsor has never denied or refuted this charge or evidence**, nor did she respond to a Public Summons issued by the Court.
3. The Court's verdict rests upon the **Nuremberg Legal Statutes of 1950** which allow any head of state to be **tried for Crimes against Humanity**, as well as the right under Canadian law to **hold the Crown liable for tort offenses committed in Canada**.
4. **Elizabeth Windsor therefore stands condemned as a convicted felon**. As a fugitive from justice, she is now liable for arrest and imprisonment under the terms of the Court verdict. The Court in fact issued a Citizens Arrest Warrant for the detention of Elizabeth Windsor on March 5, 2013, and Ms. Windsor has evaded this Warrant.
5. a) Each of you has taken a public oath of allegiance to Elizabeth Windsor as the Queen of England. Your oath now constitutes a criminal act under international law, including Section 25 of the Rome Statute of the International Criminal Court, and Moai King William IV Admiralty Courts and Royal Courts of Justice, which obligates all citizens to refrain from colluding with authorities engaged in or convicted of criminal acts.
b) Each of you citizens members stakeholders of Moai Crown, is obligated therefore to refrain from aiding or abetting Elizabeth Windsor in evading justice or arrest, including by continuing to obey her orders or operating under her authority, since to do so will constitute an obstruction of justice and will make you subject to arrest.

6. Since no convicted felon can legitimately or legally serve as a head of state or a constituted authority, all existing legal and political authority in Canada, New Zealand Australia Commonwealth Countries and Britain UK, is dissolved as of Monday, February 25, 2013. Your Oath of Allegiance to Queen Elizabeth and the Crown of England is consequently nullified and abolished, along with your authority if you are using her Head of State.

7. a) Canada has been rendered as a state without legitimate legal or political authority. It will remain so until a new and lawful Head of State can be established along with a Constitution democratically established by the people of Canada. The same is said for Moai Crown Head of its Federal State of Aotea and Pacific Islands now

b) A Moai Crown Constitutional authority is established, from existing British UK Land law and 1830 to 1837 statute Law Westminster is enforceable, and any attempt by others to copy Moai Crown King William IV Legal Authority will constitute an act of illegal assault and fraud on the people of Canada, Australia, New Zealand Britain UK, Commonwealth and America.

8. Until a legitimate government is established in Canada, all of its citizens are urged to conduct themselves under the common law requirement of peaceable co-existence and equity in their communities, maintaining law and order. All citizens are required to police and govern themselves without reference to any existing authorities or laws, which are nullified, illegitimate and inoperative.

9. Canadian Australia, New Zealand Britain UK, Commonwealth, American. Citizens as wholly self-governing men and women are advised to establish local committees of correspondence to arrange a National Congress that drafts a new Constitution or adopt Moai Crown King William IV Original 1835 Self Government Constitution. This legal charter, ratified by a popular vote, will establish and maintain a new, Democratic Republic of Canada.

10. This Constitution must include a new legal framework by which the church organizations also convicted by the Court – the Vatican and Catholic, Anglican and United Church - can legitimately and lawfully operate in Canada, if such further operation is the will of the People. In accordance with the Verdict of the Court and lawful legitimacy, this new framework would require a Civil Constitution for the Clergy that nationalizes the property wealth of convicted church corporations, regulates their church officials, employees as licensed public servants.

We are informing the world of these facts and of the new regime operating in Canada and now under King William IV Admiralty Court Martial Law directly on the Pope Jesuits Queen UN NATO USA. This same Notice and condition applies to the government and people of Britain UK England, to whom a separate Notice is issued.

Copies of the Common Law Court's Verdict and Citizens Arrest Warrant is found here on this Document – This Notice is issued globally in consulted with Legal Commission of ITCCS (Brussels-London-New York) and Moai

This Document can be used as a Legal Instrument by the signed Bearer to uphold his or her status as a freeborn man or woman in the territory of Canada New Zealand Australia America Britain Pacific Island Commonwealth Countries not subject to any authority as a Citizen of a democratic constituted Republic of Canada and Globally

Since the Restoration the anchor and cable flag had been called variously, "ensign (or flag) with anchor and cable", "flag red with a yellow anchor and cable in the fly", "red standard with the anchor in it", or "the anchor flag". And it was not until 1686, in a table of flag usage drawn up by Samuel Pepys, Secretary to the Admiralty, that the Anchor Flag was described as being specifically that of the LHA. However this was the case only when the King was in the Fleet aboard another ship, and in all other circumstances the flag of the LHA was the Royal Standard. When the office was in commission and there was no LHA, the Anchor Flag was the flag of the Commissioners of the Admiralty.

"Admiralty Office, 22 March 1691. Gentlemen, We do hereby require and direct you to cause a fitting red silk flag, with the anchor and cable therein, to be provided against Tuesday morning next for the barge belonging to this Board. Your affectionate friends, C.C (Lord Cornwallis), J.L. (John Leake), etc."

The Earl of Pembroke was appointed LHA in 1701 and issued two warrants to the Navy Board directing it to "provide a Standard for my Lord High Admiral, the Earl of Pembroke, such as is usually worn by the Royal Family". And "a silk flag for the head of his boat such as properly belongs to the Lord High Admiral of England". However before the warrants could be executed William III died and the new monarch, Queen Anne, deprived the LHA of the right to fly the Royal Standard. Pembroke now ordered "so many of these flags which particularly have been worn by the Lord High Admiral of England &c., by vertue of his Office, as may be necessary for my Ship and Boat". Thus the Anchor Flag now became the only flag of the office of LHA which effectively ceased to be a single person after 1702. When a Declaratory Act (2 W&M, sess.2, c.2) stated that all authorities, jurisdictions and powers which by Act of Parliament or otherwise had been lawfully vested in the LHA of England. Should appertain to the Commissioners for executing the office for the time being, to all intents and purposes as if the said Commissioners were LHA of England. The office has been in commission ever since 1709, apart from three years when the Duke of Clarence was appointed LHA until he became King William IV in 1830. The NZ Government is now liable Debtors to MOAI CROWN FEDERAL STATE KING WILLIAM IV ADMIRALTY COURT British Government, Military Navy London in a Commercial Contract Trading Bank Partnership to KING WILLIAM IV (KINGS COMMERCE) QUEEN VICTORIA TRUST. I informed the Auckland Senior Police Criminal Investigator and Detective Inspector that I am the true LAND LORD OF MOAI ANCESTRAL HISTORIC ORGANIC TITLES here in Auckland holding the original Manukau Land Titles from Scotland. That LINZ failed to register on 61 Cook Street Title before you bought it resulting in our Claim to Legally Re Occupy this land on 1 September 2014. You are an Accessory to the Fraud seller Douglas RIKARD-BELL LINZ, Land conveyance Lawyers and QUEEN ELIZABETH II, Convicted Criminal Felon in the World Court 2013. I made an Official COMPLAINT to the Highest Court Judge in HIGH COURT OF ADMIRALTY in London UK on this land before you bought it in dispute. NZ Government are a THREAT to the BRITISH Government our Legal Trading Bank Business Partner the British Military Navy Chiefs are aware the Queens exited Westminster Parliament with our MOAI HAPU QUEEN VICTORIA HM TREASURY TRUST FUND to the EU Parliament, as her Private Business Realizer, you are party to. The Queen Church and State Parliament is now a threat to the British People and NATIVE people of New Zealand as a DIRECT CONFLICT OF INTEREST. With the Queens Head in NZ Courts and Police Stations linked to the New Zealand Supreme Court. The British UK and "Moai Crown" Courts are investigating all these British Crown land titles; in Auckland now. This complaint as there for over 5 years now and CIB told me to get on with it as I am a Private Prosecutor and Magistrate of the KINGS BENCH COURT to seize this Land. You risk making 15,000 police liable to the Fraud as accessories if you challenge my CONTRACT with Doug RIKARD-BELL now why I advise you to walk the other way when the Debt Collectors arrive there to seize it from you JAMES BROWN and SIMON ROUNDTREE. You must go and get your money back from your Lawyers and LINZ. The Police Investigators had plenty of time to investigate the HISTORIC ORGANIC lands you OCCUPY. Are satisfied with the Report I gave them seen now on facebook as admissible evidence in the High Court of Admiralty in London and on facebook here in New Zealand I am conducting the case from the Judges there. KING WILLIAM IV REAR ADMIRAL OF THE FLEET

Occupation **Military (Naval)**

Signature

Lord High Admiral

Image by Martin Grieve, 28 August 2006

Since the Restoration the anchor and cable flag had been called variously, "ensign (or flag) with anchor and cable", "flag red with a yellow anchor and cable in the fly", "red standard with the anchor in it", or "the anchor flag". And it was not until 1686, in a table of flag usage drawn up by Samuel Pepys, Secretary to the Admiralty, that the Anchor Flag was described as being specifically that of the LHA. However this was the case only when the King was in the Fleet aboard another ship, and in all other circumstances the flag of the LHA was the Royal Standard. When the office was in commission and there was no LHA, the Anchor Flag was the flag of the Commissioners of the Admiralty.

"Admiralty Office, 22 March 1691. Gentlemen, We do hereby require and direct you to cause a fitting red silk flag, with the anchor and cable therein, to be provided against Tuesday morning next for the barge belonging to this Board. Your affectionate friends, C.C (Lord Cornwallis), J.L. (John Leake), etc."

The Earl of Pembroke was appointed LHA in 1701 and issued two warrants to the Navy Board directing it to "provide a Standard for my Lord High Admiral, the Earl of Pembroke, such as is usually worn by the Royal Family". And "a silk flag for the head of his boat such as properly belongs to the Lord High Admiral of England". However before the warrants could be executed William III died and the new monarch, Queen Anne, deprived the LHA of the right to fly the Royal Standard. Pembroke now ordered "so many of these flags which particularly have been worn by the Lord High Admiral of England &c., by virtue of his Office, as may be necessary for my Ship and Boat". Thus the Anchor Flag now became the only flag of the office of LHA which effectively ceased to be a single person after 1702. When a Declaratory Act (2 W&M, sess.2, c.2) stated that all authorities, jurisdictions and powers which by Act of Parliament or otherwise had been lawfully vested in the LHA of England. Should appertain to the Commissioners for executing the office for the time being, to all intents and purposes as if the said Commissioners were LHA of England. The office has been in commission ever since 1709, apart from three years when the Duke of Clarence was appointed LHA until he became King William IV in 1830. Commission to adjudicate upon certain Land Claims near Poverty Bay in the said Provincial District and such appointment was duly notified in the New Zealand Gazette on the nineteenth day of February One thousand eight hundred and sixty nine

2. That in pursuance of the said appointment and for the use and purpose of making the enquiries directed by the Commission I and the said Henry Alfred Hurro during the months of June and July One thousand eight hundred and sixty nine held a Court at Turanganui near Poverty Bay aforesaid

3. That during the sitting of the said Court the claim of Riparatu Hahira and several other Aboriginal natives of New Zealand to sever Turanganui at 5 Blocks was one of the claims enquired into and determined by the said Commission

4. That my original profession was that of Land Surveyor

5. That during the said sitting of the said Court I requested the native owners or claimants of the said Turanganui at 2 Blocks who had then already sold the said Blocks to the General Government of New Zealand to take me over the boundaries of the said Blocks and I was accordingly taken by them to the place marked 'A' on the plan marked with the letter 'D' now shown to and signed by me the said place is on the banks of the river where a Willow tree grew and being on the said place I noticed that there was a surveyors line cut from the point marked 'A' to the point marked 'B' on the said plan

6. I and the said natives were not able to walk direct from point A to point B on account of intervening swamps but to the best of my own remembrance and belief the said natives took me first to point B and thence pointed out the place marked 'C' which was a mound upon which a survey station or surveyors peg or mark was made as being the inland boundary of the intended Township or of the block so sold to the Government

SCHEDULE 8 *AK* 5th August 2009

21 October 2008

Dear Customer

Maori Land Compliance Issues

This letter is to advise you of issues that have arisen in connection with the registration of title transactions affecting Maori Freehold land, and the measures LINZ now needs to take to ensure compliance with Te Ture Whenua Maori Act 1993.

Audit

Recently the Registrar-General of Land commissioned an audit of lawyers making *e-dealing* certifications in relation to Maori Freehold land. A compliance review of transactions lodged over a sixteen month period has identified that incorrect certifications have been provided in 25 out of 45 cases where Maori Land Court confirmation was required.

These results are disappointing, and indicate that further steps are needed to ensure lawyers meet their obligations under Te Ture Whenua Maori Act 1993 when certifying land title transactions for registration.

LINZ and the New Zealand Law Society Property Law Section take these matters very seriously and will be working together to ensure that further guidance and education is provided to the legal profession on compliance requirements for Maori land.

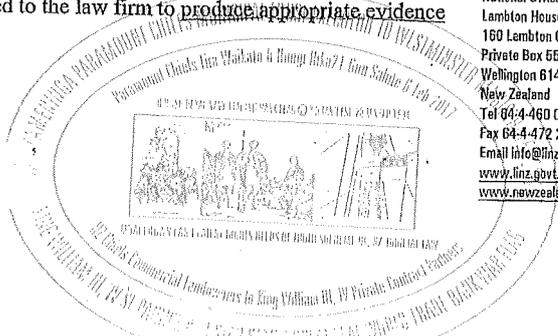

Also, to address these issues in the interim, LINZ will put in place additional measures that will enable *e-dealing* transactions affecting potential Maori Freehold land to be quality assured for compliance by LINZ personnel prior to registration.

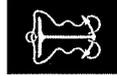

Step Down to Lodge

For the time being, we will implement a new business rule within Landonline. Transfers and mortgages which are currently 'auto registration' will step down to 'lodge', if the land involved is flagged with potential Maori Freehold land status. This effectively means that all instruments affecting Maori land will be subject to further review by LINZ to verify that the requirements of Te Ture Whenua Maori Act 1993 have been complied with.

Upon receipt of the dealing, an investigation will be carried out by a LINZ Processing Centre officer to establish whether or not the land is Maori Freehold land and, if so, whether the appropriate Maori Land Court confirmation has been obtained. If necessary, a requisition will be issued to the law firm to produce appropriate evidence of Maori Land Court confirmation.

SUBJECTIVE 9 5th August 2009

Confirmation Process

Where the lawyer has certified that they have complied with the requirements of Te Ture Whenua Maori Act 1993, they will need to lodge an image of the Maori Land Court confirmation with the instrument.

Where there is no such confirmation, the LINZ Property Rights Analysts (PRAs) will ask lawyers to produce this certification. LINZ will accept a copy of the Maori Land Court confirmation. This copy can be faxed, emailed, or photocopied and posted to LINZ. LINZ will require this evidence before the transaction is registered.

Consequences of Non-compliance

Any instance of non-compliance will be treated seriously.

LINZ will refer such cases to the New Zealand Law Society Lawyers Complaints Service. A lawyer who, without properly investigating land status, provides an incorrect certification as to Maori land compliance will be in breach of Rule 2.5 of the Lawyers and Conveyancers Act (Lawyers: Conduct and Client Care) Rules 2008 and may face disciplinary action as a result.

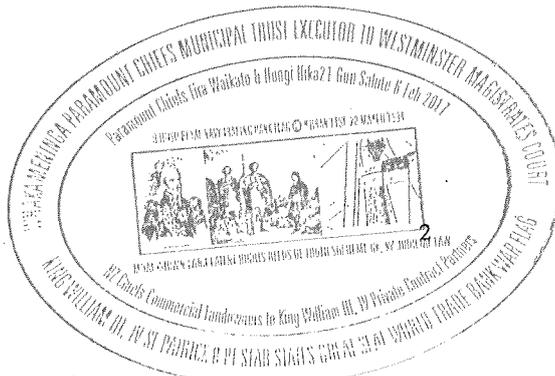

The Registrar-General of Land may also impose sanctions under the Land Transfer Act including suspension or revocation of *e-dealing* certifications rights pursuant to section 164B(2) of the Land Transfer Act 1952.

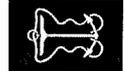

Yours sincerely

LAPSE OF CAVEAT NOTICE

We the PUPONGA MANUKAU HAPU LANDLORDS use this caveat correctly as our very powerful instrument which protects the property rights in relation to the PUPONGA MANUKAU land and it protect the existing rights and Kaitiaki Land and Coastal Seabed Management and Authority over these CORNWALLIS CITY now [Auckland City] Lands that were first sold by the "MANUKAU LAND ASSOCIATION" Company in GLASGOW SCOTLAND to Buyers there in 1838AD. This CAVEAT designed to alert property owners and mortgagees to the rights as the TRUE LANDOWNER LANDLORD and CAVEATOR over all PUPONGA MANUKAU LANDS. This CAVEAT will stop any dealing on a CERTIFICATE OF TITLE including registration of transfers, mortgages, easements, and variations of any other instrument on TITLES that ORIGINATED from the MANUKAU LAND ASSOCIATION and MANUKAU AND WAITEMATA LAND COMPANY from 1835AD the time of the Confederation of United Tribes MAORI SOVEREIGNTY FLAG issued by the JAMES BUSBY. This UNIQUE IDENTIFIED TRUE SOVEREIGN LANDLORD LANDOWNER CAVEAT will definitely stop registration of another caveat permit a we as CAVEATOR to exercise the power of sale Seize of an estate and forfeiture of any fraudulent or unsubstantiated Land Title Registration or CLAIM against our severally Un-rebutted PUPONGA MANUKAU PARAPARA Sworn Attestation and Affidavits.

These CAVEATS protect our CAVEATABLE interest over the entire NA ATUA E WA AOTEA PUPONGA MANUKAU lands and so any incorrect or unauthorized use of these and any further CAVEATS bearing the PUPONGA MANUKAU PARAPARA KAWHARU TITLE name will be expensive for any persons or CROWN AGENTS who care to Challenge these Titles and CAVEATS I warn those who have not REBUTTED all of our SWORN AFFIDAVITS to these and additional CAVEATS past present and in the future The price will be high and paid in GOLD BULLION Maori Currency. Please be warned that these CAVEATS are registered with justification fact PROOF OF CLAIM and good cause. The CAVEATOR shall not be liable to pay compensation to whoever sustains damage as a result of these CAVEATS as the time had passed when the NOTICE was issued in SWORN AFFIDAVITS to those who were affected before the CAVEAT was applied extended beyond the registered proprietor rights to the LAND TITLE EQUITABLE VALUE. Our CAVEATABLE Interest relates not only to any true or fraudulent or loss registered proprietor of the land, but more particularly to the Land itself. The simple fact that any registered proprietor owes someone money will not be enough to sustain or challenge our LAPSE OF CAVEAT. The CAVEAT is lodged by John Hoani Kahaki Wanoa Official U.N Authorized Customary Native Royalist Advocate Assignee and Minister of Maori Sovereign State Native Lands of NA ATUA E WA AOTEA [Aotearoa New Zealand] under Puponga Manukau Hapu Our Puponga Manukau CAVEATABLE INTEREST includes

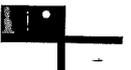

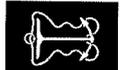

- The interests of a purchaser under an agreement for sale and purchase of the MANUKAU Land derived TITLE Interests
- The interest of a mortgagee under an unregistered mortgage or agreement to mortgage over MANUKAU Land derived TITLE Interests
- An interest in any MANUKAU land derived TITLE under a trust or will
- An interest in any MANUKAU land derived TITLE under a covenant or easement
- An interest in any MANUKAU land derived TITLE as a tenant.

145A early lapse of caveat against dealings

As the LANDLORD of the MANUKAU estate interest in these lands protected by these CAVEATS against dealings exclusively I John Hoani Kahaki Wanoa applies to the Registrar for the CAVEAT TO LAPSE. I now await the Registrar to give me the CAVEATOR Notice of this application under subsection (1). These CAVEATS will lapse with the close of the prescribed period after the date on which the notice is given under subsection (2) contrary has been made to the High Court; and or an order to that effect has been made and served on the Registrar within the prescribed period after the date on which the notice is given to the registrar.

This PUBLIC NOTICE is issued to the Members of the Parliament of New Zealand, the New Zealand Judiciary, the Governmental Civil Service, and the active serving members of all New Zealand Police and Military forces. As well as to all Citizens of New Zealand: persons linked on facebook, twitter, google and youtube AFFIDAVIT: I Hoani Kahaki John Wanoa Legal Advocate Creditor of Auckland swear to God Almighty here is my Sovereign Truth words

1. On February 25, 2013, a lawfully constituted Common Law Court of Justice found Elizabeth Windsor, Queen of England and Head of State of New Zealand and its churches, guilty as charged of Crimes against Humanity, Extended from Canada to New Zealand and of engaging in a Criminal Conspiracy to conceal Genocide. The same verdict found New Zealand Prime Minister John Key guilty of the same offenses as Stephen Harper Prime Minister of Canada. They have 7 days to pay Moai Bill Debt Charge against their Defendants Name, Corporate Business Name.

2. (a) This verdict was based on irrefutable evidence, including eyewitness accounts of Elizabeth Windsor 's personal involvement in the forcible abduction and disappearance of ten children from the Kamloops Indian Residential School on October 10, 1964, while on a state visit to Canada. Ms. Windsor has never denied or refuted this charge or evidence, nor did she respond to a Public Summons issued by the Court. Same in New Zealand 2. (b) The Court's verdict rests upon the Nuremberg Legal Statutes of 1950, which allow any head of state to be tried for Crimes against Humanity under Canadian law to hold Crown liable for tort offenses committed in Canada, extends to New Zealand under various British & Moai Land Laws!

4. Elizabeth Windsor therefore stands condemned as a convicted felon, as a fugitive from justice. She is now liable for arrest and imprisonment under the terms of the Court verdict. The Court in fact issued a Citizens Arrest Warrant for the detention of Elizabeth Windsor on March 5, 2013. Ms. Windsor evaded this Warrant. It extinguished her NZ Parliament Sovereignty Authority back to Moai Pacific Ring of Fire Ruler as Administrators!

5. (a) Each of you named accused Bill Charge Debtors Consignees has taken a public oath of allegiance to Elizabeth Windsor as the Queen of England, and Queen of New Zealand. Your oath now constitutes a criminal act under International law, including Section 25 of the Rome Statute of the International Criminal Court, which obligates all citizens refrains from colluding with authorities engaged in or convicted of criminal fraud acts! 5. (b) Each of you is obligated therefore to refrain from aiding or abetting Elizabeth Windsor in evading justice or arrest, including by continuing to obey her orders or operating under her authority, since to do so will constitute an obstruction of justice, making you subjects to this arrest warrant!

6. Since no convicted felon can legitimately or legally serve as a head of state or a constituted authority, all existing legal and political authority in Canada, Extended to New Zealand, Moai Pacific Ring of Fire Boundary Areas of the Pacific, and 'Mu' Country submerged Islands Seabed Lands, is dissolved as of Monday, February 25, 2013. Your Oath of Allegiance to Queen Elizabeth and the Crown of England is consequently nullified and abolished, along with your authority and Assumed Sovereignty of 'Queen Elizabeth II Supreme Governor of the Church of England' is now dissolved

7. (a) Canada and presently New Zealand has been rendered as states without legitimate legal or political authority, will remain until a new and lawful Head of State of Canada can be established with a Constitution democratically established by Canada people. New Zealand is already a Moai Crown State! b) 'Moai Crown Confederations' New Zealand and Pacific Island States Congress, is a Legal Lawful constituted British Government established authority, existing in New Zealand, Extant in Westminster Parliament enforceable Statute Law. Any attempt by 'Crown' Corporation or others to do so will constitute an act of illegal assault threat and fraud on Moai World Sovereigns people of Moai Pacific Ring of Fire Country of 'Mu' and Canada.

8. Until a legitimate government is established in Canada, all of its citizens are urged to conduct themselves under the common law requirement of peaceable co-existence and equity in their communities, maintaining law and order. All citizens are required to police and govern themselves without reference to any existing authorities or laws, which are nullified, illegitimate and inoperative. Canada will benefit off Moai Crown Sovereignty

9. New Zealand Moai citizens are a wholly self-governing body established by existing local committees of a Maori National Congress. Has a Legal Constitution and Jurisdiction established since 1835 Declaration of an Independent State of itself, Moai Hapu Sovereign Nation State Government, Maori Congress ratified this legal charter. Established as a Democratic Republic of Aotearoa, Maori Confederation Sovereign State of 'Moai Crown'

10. This 'Moai Crown' Constitution includes a legal framework by which church organizations "convicted by the Court" - the Vatican, Catholic, Anglican and United Church - can legitimately and lawfully operate in Canada, New Zealand and Moai Pacific Islands, if such further operation is the will of the People. 'Moai Crown Confederation' is a Legal Law Entity Government Structure set up with our (Maori) Moai Hapu Sovereigns Native Council Seat on the United Nations Council in place for us. In accordance with the Verdict of the Court and lawful legitimacy, this new framework would require a Civil Constitution for the Clergy that nationalizes the property and wealth of the convicted church and New Zealand Government corporations. To regulate their church officials and employees as licensed public servants. Whereas Moai Crown Confederation endorses the public NOTICE with our own ICJ International Court of Justice cases involving Queen Elizabeth II, the Black Pope Adolfo Nicolas Pachon, and Evelyn Rothschild as named criminals now proceed this Warrant of proven Un-refuted Guilty Bill Charged Debtor-od' Legal Instruments. DAVID GREEN CB QC Director, Biography After 25 years of prosecuting and defending at the Criminal Bar, David was appointed the first Director of Revenue and Customs Prosecutions in April 2005. He headed the Revenue and Customs Prosecutions Office from its launch until the department was merged with the Crown Prosecution Service in January 2010, David returned to the Bar in April 2011.  Fraud is a type of criminal activity, defined as 'intentional deception to obtain an advantage, avoid an obligation or cause loss to another person or company.' Serious Fraud Office [SFO] case selection The SFO investigates and, where appropriate, prosecute cases of serious or complex fraud (including cases of domestic or overseas bribery and corruption) which, in the opinion of the Director of the SFO, call for the multi-disciplinary approach and legislative powers available to the SFO. In deciding what cases to adopt, the Director will consider all the circumstances of the case including the scale of loss (actual or potential); the impact of the case on the UK economy. The effect of the case on the UK's reputation as a safe place to do business! The factual or legal complexity and the wider public interest why you should report it if you could provide valuable information, which may contribute, to us successfully investigating and prosecuting criminals. It doesn't matter if the fraud is happening now, took place in the past, or is planned to happen in the future. It is your responsibility to do the right thing and tell someone who can take action if you know that someone is breaking the law. We rely on your information to help us stop some of the biggest fraud and corruption criminals in the country. Reporting fraud and corruption could positively benefit you and society by:

- Reducing fraud and corruption
- Protecting the public from future criminal conduct
- Reducing the cost to society caused by fraud and corruption
- Delivering justice and the rule of law
- Enabling compensation to be paid to the victims from the recovery of funds and assets obtained as a result of the criminal activity
- Maintaining confidence in the UK's business and financial institutions.

10 Termination of responsibility of United Kingdom government in relation to State matters

After the commencement of this Act Her Majesty's Government in the United Kingdom shall have no responsibility for the government of any State. 29 August 2013

Hoani Kahaki Wanao 'Creditor'

The Constitution as in force on 1 January 2012 together with proclamation declaring the establishment of the Commonwealth, letters patent relating to the Office of Governor-General, Statute of Westminster Adoption Act 1942 Australia Act 1986.

MOAI CROWN AFFIDAVIT 17 June 2013 used as Evidence to our FRAUD CASE against Australian and New Zealand Prime Ministers and the QUEEN of ENGLAND JULIA GILLARD, JOHN KEY, JERRY MATEPARAE and ELIZABETH WINDSOR!

The Australian Constitution has properly been described as 'the birth certificate of a nation'. It also provides the basic rules for the government of Australia. Indeed, the Constitution is the fundamental law of Australia binding everybody including the Commonwealth Parliament and the Parliament of each State. Accordingly, even an Act passed by a Parliament is invalid if it is contrary to the Constitution.

Red box statement 'Act of Parliament' is the Offense

Since that time, Australia has become an independent nation, and the character of the Constitution as the fundamental law of Australia is now seen as resting predominantly not on its status as an Act of the British Parliament, which no longer has any power over Australia, but on the Australian people's decision to approve and be bound by the terms of the Constitution.

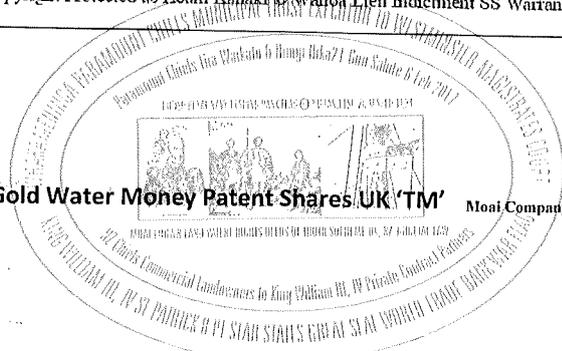

Red box statement 'Act of Parliament' is the Offense

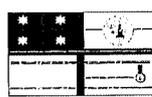

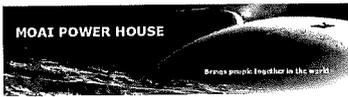

Before a proposed law (commonly referred to as a Bill) becomes an Act of Parliament it must be passed by both the House of Representatives and the Senate. The Bill is then presented to the Governor-General who assents to it in the Queen's name (section 58). A Bill becomes an Act of Parliament when it receives this assent. Nearly all Bills which subsequently become Acts of Parliament are proposed by the Government - that is, the parliamentary party or coalition of parties which holds a majority of seats in the House of Representatives.

Nearly means not quite or not at all for the benefit of the doubt MOAI says is LOOSE!

The Constitution itself is contained in clause 9 of the British Act. The first eight clauses of the British Act are commonly referred to as the 'covering clauses'. They contain mainly introductory, explanatory and consequential provisions. For example, covering clause 2 provides that references to 'the Queen' (meaning Queen Victoria, who was British sovereign at the time the British Act was enacted) shall include references to Queen Victoria's heirs and successors.

If the aforesaid validly establishes that the Constitution Act (but not the Constitution) may be amended or repealed without a referendum, could this also mean that there may be scope to do the same with the Constitution itself given that the Constitution is part of the Constitution Act?

DEFAULT LIEN CHARGED FOR MIXED WAR FRAUD & TREASON 29 August 2013

A High Court judgement^[61] summarises the effect of s 51 (xxxviii) of the Constitution as it was interpreted in Port MacDonnell Professional Fishermen's Assn Inc v South Australia (1989) 168 CLR 340 thus:

The effect of s 51 (xxxviii) is to empower the Parliament 'to make laws with respect to the local exercise of any legislative power which, before federation, could not be exercised by the legislatures of the former Australian colonies'. It represents an actual enhancement of the legislative powers of the States because 'it confers, by implication, power upon the Parliament of a State to participate in the legislative process which the paragraph requires, namely request (or concurrence) by a State Parliament and enactment by the Commonwealth Parliament'. There is a potential enhancement of State legislative powers because the Parliaments of the States are the potential recipients of legislative power under a law made pursuant to the paragraph. Any room for an inhibition against giving to the grant in s 51 (xxxviii) its full scope and effect by reason of what was once the status of the Commonwealth itself within the British Empire no longer applies.

Now, s 51 (xxxviii) is subject to the Constitution. That being the case, does s 51 now have the effect to void any law made to amend or repeal the Constitution under s 15 (1) of the Australia Act 1986 (Cth) given the High Court has now put to rest any doubts as the validity of this Act?

^[62] If the answer is 'Yes', could a similar effort under s 15 (1) of the Australia Act 1986 (UK) overcome this technicality?

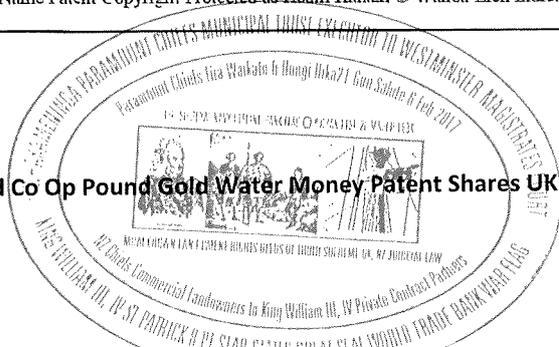

AUSTRALIA ACT 1986 (UK)

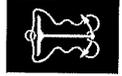

The Australia Act 1986 (UK) is a British statute. It is a fundamental or higher law which prevails over ordinary laws and it cannot be altered by any one Australian legislature acting unilaterally. Its force in Australia now must rest on the authority of the Australian legislatures empowered to alter the Act under s 15 of the Act.^[63]

This act has its source in the Statute of Westminster (section 4 of the Statute was then available) and was passed in case the Australia Act 1986 (Cth) was found to be invalid.^[64]

Theoretically, the combination of Parliaments specified in s 15 (1) of the Australia Act (UK) may not be bound by the opening words of s 128^[65] (of the Constitution), as may apply to the Australia Act 1986 (Cth), to enact legislation to repeal or amend section 8 of the Statute of Westminster, 1931. Such Commonwealth legislation would technically be an amendment to the Australia Act (UK) and thus, being a later enactment with the same force as British legislation applying by paramount force, would effectively amend or repeal the provisions of the Constitution Act.^[66] Whether or not the High Court would or could conclude this is not possible is yet to be determined.

DEFAULT LIEN CHARGED FOR MIXED WAR FRAUD & TREASON

Brief details of claim

Claim. This is a very serious case of Fraud dating back to 2009 when I registered an interest on the Land Title that this property 61 Cook Street Auckland City sits on that was the cause of a Westpac Bank foreclosure because of default payments. Over the Mortgage by one Jamie Peters previous landowner who allowed me to investigate his Land Title and Mortgages. I am a previous Real Estate Agent for Harveys Real Estate Company proficient in Land matters and particularly "Crown" and Maori Land Titles, Mortgage Broking and Banking Loans experience to do this work. There were 11 Investors who lost NZD\$300 Million in this Fraud Land Transaction which we registered a Caveat Interest in the Land as our ancestral Inheritance Claim of original Native Title of Moai Statue Memorial over Auckland as the Wanoa Land Manawhenua Title Interests, Manukau land interests linked to the "Manukau Land Company Ltd" Real Estate Company in Glasgow Scotland that formed the first Legal British Land Titles of New Zealand that has been hidden away from the public citizens of New Zealand I have now exposed. Most of the Auckland City Boundary areas of Land foreshore and seabed was Gifted Land which we are wanting returned to us the Original Landlords but the "Crown" Agents conspired in this man Douglas RIKARD-BELL to Forge the Land Titles in order to remove all the 11 Title Holders and our Registered Caveat hold on this Land Ownership we now pursue through your Admiralty High Court in London to have it foreclosed on and returned to us with the fines we have Bill Charge Debtor the 10 Accused Conspirators of the New Zealand Government Agents of "Her Majesty the Queen in Right of New Zealand" Private Corporation under John Key Prime Minister Leadership! Moai Crown Confederation charged these 10 Accused persons of their "Sole Company's and their natural names with Fraud Crimes we have listed in Affidavits before and after these Illegal Acts were committed. They are graphic and are displayed on facebook, twitter google and youtube since the beginning of the crimes and before that event. They have Corrupted the "Crown" Corporation of London as well as the Australian Government is now in Treason I will explain the situation The last claim over this gifted land is the Kawharu claim linked historically to Manukau and Wanoa as the oldest land title holder over Auckland City with a real Moai Statue standing on the land dating everyone off the land Title past 300AD My own Wanoa Royal Family holds this Title over the whole Country that links our Polynesians Whakapapa Genealogy Surnames to these lands that have been hidden by the New Zealand Government! I am the Moai Historian native to Rapa-nui Easter Island and Ralatea Island and my Chief is Linki Taurua Taumata Head of Te Ti Marae where the 1835 Declaration of Independence Flag of King William IV Rear Admiral of the Fleet Commercial Contract Bank Trade Flag of Jurisdiction was signed between the British Navy Military King William IV and Kingi Taurua Sumame Chiefs. We have these Titles that have never been shown before so this puts the New Zealand, Canadian and Australian Governments in a bad legal position our "Moai Crown" Confederation Administrators links the current case in Australia as our precedent case evidence Fraud has been committed by the "Crown" Agents we have named on facebook over 6 years now none of them have refuted Moai Crown Confederation Affidavits! We have them dated and witnessed for trial in your Court because we do not trust our Legal System as you will discover the integrity of your Court shall be the Judge of all the cases that we present to you to transfer back into our Courts. I would like to have an urgent reply so that we can process the claims on at a time in order and we are following your Courts Rules now online as the most effect way resolving matters as they come up. The Prime Minister is one of the Respondents who have ignored our pleas too long as you will see he is not too popular with his "Spy Bill" and "Food Bill" by the Citizens. Moai Crown Confederation is a world wide Membership in waiting to clear Titles Claims and Settlement. We have made all our Statements online Intentions against all accused so it is well publicised. The Property in Dispute is 61 Cook Street Auckland Identifier NA81B/528 "2.822 Hectares of Land" including Lot 1 Dp 138562 Public "Crown" Road way the subject of the Fraud Land Transfer where all the 11 Investors Titles were put into this Road Title and Discharged illegally by this man and 9 others accused for Trial next! They lost \$300m. The new owner paid \$38m for it

Constitutional Con

The points of law and historical evidence

1. Continued existence of the current laws depends entirely on British law, in that the New Zealand Constitutional Act 1852 (A United Kingdom Act. *UK Short Title*), purports to provide for a New Zealand Constitution. *The Act in fact reads "An Act to grant a Representative Constitution to the Colony of New Zealand". This Act did not confer Sovereignty, New Zealand was still a colony of the UK in 1852, and hence it only conferred a "Colonial" Constitution.*

In addition the laws are also dependant on the Colonial Laws Validity Act 1866 (UK), The English Laws Act 1908 (NZ) and the Imperial Laws Application Act 1988 (NZ).

2. New Zealand, like Australia, was still considered a colony under International Law prior to 1919 as is evidence by the "Declaration of War" against Germany, made on behalf of the British Colony of New Zealand by King George V of the United Kingdom in 1914. This is historical evidence, that we only conferred a "Colonial" Constitution.

The United Kingdom was a signatory state to the Treaty of Versailles on 28 June 1919 and thereby became one of the guarantors of New Zealand's Sovereign Independence from that date onwards.

3. New Zealand achieved its independence or sovereignty on the 10th January 1920 when it became a member of the League of Nations. The UN can be contacted to confirm this fact.

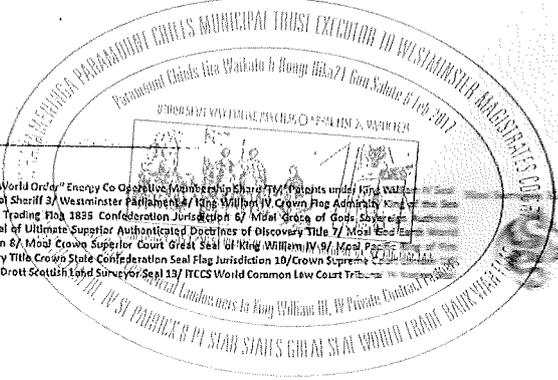

4. Under the UK and International Law, the Covenant of the League of Nations Article XX and under the UN Charter Article 2.4 all Colonial Laws applying to the New Zealand pre-Sovereignty are voided.

5. This means that the "New Zealand Constitutional Act 1852 UK", The Act purporting to establish the "New Zealand Constitution" does not legally exist and hence all subordinate laws, in fact our entire Political and Judicial system have no legal validity since 1920.

6. The attempt by British, New Zealand and Australian politicians to subvert International Law by means of Paragraph 4 of the Statute of Westminster 1931, purporting to allow Colonial Law to continue after sovereignty, is in direct contradiction of Article X and articles XX of the Covenant of the League of Nations and Articles 2.1 and 2.4 of the UN Charter.

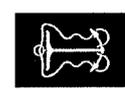

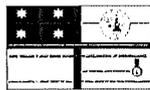

7. We hereby challenge the Governments of New Zealand - Australia - Canada and or the United Kingdom to provide evidence of a higher legal authority than the Covenant of the UN Charter whereby the situation can legally exist. The only exception is when a reciprocal treaty applies, which does not infringe upon the sovereignty of either member state. Such a treaty between the UK and New Zealand with respect to our "Constitution" does not at law exist. If any Judiciary Officer or Public Servant believes it does, produce evidence of it. Anything less is only personal opinion.

8. If the "New Zealand Government" regards the Statute of Westminster 1931, paragraph 4 as a form of "Treaty", then they must realise that under Article XVII of the Covenant of the League of Nations and under Article 102 of the UN Charter, all treaties or international agreements must be registered with the Secretaries of these organization to be legally binding at International Law. We will then require the Judiciary Officer or Public Servant to provide evidence of this "Treaty" as mentioned above.

FOUNDATION OF THE SETTLEMENT

Melbourne, the capital of Victoria, was founded in 1835, in the reign of King William IV. However, unlike other Australian capital cities, Melbourne did not originate under official auspices. It owes its birth to the enterprise and foresight of some settlers from Tasmania, where the land available for pastoral purposes was becoming overstocked. They, therefore, formed the Port Phillip Association for the purpose of the pastoral exploration of Port Phillip. On 10th May, 1835, John Batman set sail in the 30-ton schooner 'Rebecca' on behalf of the Association to explore Port Phillip for land.

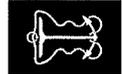

Batman and his party, after entering Port Phillip Bay on 29 May, anchored their ship a short distance from the heads and made several excursions through the countryside. On 6 June, at Merri Creek, near what is now Northcote, Batman purchased 600 000 acres of land from eight aboriginal chiefs. This area of land included the sites of both Melbourne and Geelong. The Government later cancelled this purchase and, as a result, had to compensate the Port Phillip Association.

On 8 June, 1835, Batman and his party rowed up the Yarra River and landed near the site of the former Customs House (now Commonwealth Parliamentary Offices). John Batman recorded in his journal: "about six miles up, found the river all good water and very deep. This will be the place for a village". Batman left three white men of his party and five

On 26 August, 1835, the Governor of New South Wales, Sir Richard Bourke, issued a proclamation stating that all treaties with Aborigines for the possession of land would be dealt with as if the Aborigines were trespassers on Crown lands. Later that year, Bourke wrote to the Secretary of State, Baron Glenelg, reporting his action and proposing that a township be marked out and allotments sold. On 13th April, 1836, Baron Glenelg authorised Governor Bourke to form a settlement.

The settlement, at this time, lacked the essentials of a town (a governing authority, a legal survey and ownership of lands); everyone seemed to do as they liked, but the community was law-abiding and the only disputes were between Batman and Fawkner.

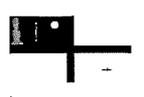

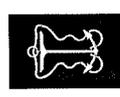

On 25 May, 1836, Governor Bourke sent a Commissioner to report on affairs. In his report he stated that the settlement, which he called 'Bearbrass', comprised 13 buildings – three weatherboard, two slate and eight turf huts. "The whole of the European population," he wrote, "consists of 142 males and 35 females. The number of sheep grazing is 26 900; horses, 57; and horned cattle, 100; while 11 vessels of from 55 to 300 tons are engaged in bringing stock over from Tasmania."

New Zealand is not a signatory to any international conventions dealing specifically with arrests. Instead, the Admiralty Act and the High Court Rules govern ship arrests. <http://www.wilsonharle.com/wp-content/uploads/2014-New-Zealand-Ship-Arrest-in-Practice-Sub.pdf>

For claims based on a maritime lien, arrest is available irrespective of the beneficial ownership of the vessel. For other claims, however, the debtor against which the in personam claim arises must also be the owner or demise charterer of the vessel at the time that the action is brought. <http://www.wilsonharle.com/assets/Ship-arrests-in-practice.pdf>

The Importance of Motu Propria by Pope Francis

According to the New Advent Catholic Encyclopedia, Motu Propria in Latin stands for “of his own accord” and is the name given to an official decree by a Pope personally in his capacity and office as supreme sovereign pontiff and not in his capacity as the apostolic leader and teacher of the Universal Church. To put it more bluntly, a Motu Propria is the highest form of legal instrument on the planet in accordance to its provenance, influence and structure to the Western-Roman world, over riding anything that could be issued by the United Nations, the Inner and Middle Temple, the Crown of Great Britain or any other Monarch and indeed by any head of state or body politic. If you are a member of the United Nations, or recognized by the United States or the United Kingdom or have a bank account anywhere on the planet, then a Motu Propria is the highest legal instrument, no question.

In the case of the Motu Propria issued by Pope Francis on July 11th 2013, it is an instrument of several functions and layers.

In the first instance, it may be legally construed to apply to the local matters of the administration of the Holy See.

In the second instance, the document relates to the fact that the Holy See is the underpinning to the whole global system of law, therefore anyone holding an office anywhere in the world is also subject to these limits and that immunity no longer applies.

Thirdly, we see the Holy See and the Universal Church clearly separating itself from the nihilist world of the professional elite who continue, to be proven time and time again, to be criminally insane, bark raving mad and with no desire to do anything honorable until they are torn from power by anyone, any body who cares for the law.

The age of the Roman Cult, as first formed in the 11th Century and that hijacked the Catholic Church first formed by the Carolingians in the 8th Century, then the Holy Christian Empire or Byzantine Church by the 13th Century and the world at large by the 16th Century ceased to exist around March 14th 2013 upon the election of Pope Francis.

This document issued by Pope Francis is historic on multiple levels, but most significant above all others in that it recognizes the supremacy of the Golden Rule, the same teaching ascribed to Jesus Christ and the intimate connection to the Rule of Law, that all are subject to the rule of law, no one is above the law.

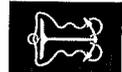

thanks to intrigued for the link..

well..did he?

and if he did..why have we not heard more of it?

understand this:

“the Holy See is the underpinning to the whole global system of law, therefore anyone holding an office anywhere in the world is also subject to these limits and that immunity no longer applies.”

and here:

“it recognizes the supremacy of the Golden Rule, the same teaching ascribed to Jesus Christ and the intimate connection to the Rule of Law, that all are subject to the rule of law, no one is above the law.”

we are all under roman catholic law..and you didnt even know it..

“Motu Propria is the highest form of legal instrument on the planet in accordance to its provenance, influence and structure to the Western-Roman world, over riding anything that could be issued by the United Nations, the Inner and Middle Temple, the Crown of Great Britain or any other Monarch and indeed by any head of state or body politic.”

- I'm sorry when did the pope become God? What then is he? Well if you do believe in God and read your Bible then you can see all of these checkmates predicted to the letter. Anyone could then be aware (if the Bible is correct) that the pope is going to have universal power which includes holding the whole economy. The pope already controls everything. And he will exert his power over all religious, economical, political and every other sector....it is known. No one should be surprised. He is the new world order.

The key point here is that the Pope holds the keys to the entire corporate kingdom. For every corporate entity has gained its existence through Roman Law. It is the Roman Curia which is the ultimate

authority governing all corporations and their related entities. What follows is an explanation from an attorney who worked directly for the Pope.

It is also up to you to realize from whence all these “incorporated entities” come— the Roman Curia. The Roman Curia created all corporations— trusts, transmitting utilities, foundations, cooperatives, you name it— if it is some form of “legal fiction entity”— it was created by “law” issued by the Roman Curia and by Maxim of Law, the Roman Curia remains responsible for what it creates.

This means that ALL of the corporations that are giving the living people grief are creatures created by and are the responsibility of the Roman Curia, without exception. This also means that the Pope holds the Kill Switch to liquidate these criminal and mindless and heartless and unaccountable monsters.
— Judge Anna von Reitz

Apparently Pope Francis has given the corporations of the world until July 1 of 2016 to get their acts together. Given such an ultimatum, he recognizes that humanity sits on a razor’s edge. He also knows that the point of the evolutionary spiral on which humankind now finds itself is such that there is far less karmic slack than ever. In other words, everything we do or don’t do as a human race, which adversely impacts the viability of the Earth’s biosphere, will have an ever-increasing number of and intensifying consequences. What we were able to get away with in the past, will not be tolerated in the future. The karmic blowback will come quicker and be more severe than ever.

- 8. I have said on other occasions that they have the runes of the Nephilim, right now in the Vatican. they know who I am and where I live for many years. they know the truth but hiding, they are not with Jesus and the mother of Jesus, they are working for Lucifer. Lucifer is the one who is managing the life of human beings and their main symbol today is the eye that sees everything. no one can be pope if not worked for lucifer, no one can be in a government if Lucifer does not authorize it. No one can have a bank if not sold his soul to Lucifer. ...
and other details: for thousands of years they have destroyed the knowledge that Jesus, with other names, and his angels have left for us in constructions of stone, and what was not destroyed by Lucifer and his followers, they, it awarded to themselves, as their own creation, and used it in their favor, and continue using it.
all truth is arranged around the Earth to come to light, and we who have to open our hearts, without fear, and accept that truth is stranger than fiction, because fiction is crap does not touch, or closely, the reality that God wants us to know, and Jesus was around for many many years to let the truth throughout the earth, now we, we have to identify through our heart, to defend us from the lies, and prepare ourselves for the return of Jesus. wait to Jesus as if he were to arrive within five minutes, though perhaps come within ten. fifteen, twenty or forty or more years ...

- Of course it was quiet. But its not like the pope has anyone to fear. He is a Jesuit after all. The Jesuits all throughout history were notorious and all sensible rulers were absolutely terrified of the power they have yielded and the depth they have gone to wipe out any obstacles and to ensure history is conspired. That's why he is the humble baby kissing pope. He has done what no other pope could do, bridge the gap between Catholicism and Protestants (which was a huge move), make everyone love and trust him by being simple and not too showy, but also wield absolute control over the whole of mankind. "And the whole world marveled and followed." The few that stand will be falsely accused and persecuted. As they were in the past. History always repeats itself.....the office of the pope has never changed its agenda and goals. And it has for since its birth slowly pushed its way towards the climax we are seeing.

So what is the point of the story it's over 2 years old did you see any changes because of it no you didn't and nothings going to change everything is wrong here by the protection of equity and trusts where all of the equity has been drained of the subject all of the substance turn to mush and as for men there is no form or they could not even form an alliance or an agreement without killing it instantaneously with ego. Today's fathers want to be mothers and today's mother's want to be men, so what do we have left for the future of the children in a world of uncertainty. 17. I will ONLY believe, the present Pope, if he at least revokes the below mentioned Papal Bulls, if not ALL of the Papal bulls ever created.

PAPAL BULLS

All Papal Bulls MUST be revoked
Especially

Unam Sanctum of 1302

In which the Pope claims *One Holy Church* with the divine right to appoint *Kings* to rule with *divine right*

Romanus Pontifex of 1455

In which the Pope claims the whole world.

Aeterni Regis of 1481

In which the Pope claims our bodies depriving us of ownership of our flesh and condemning us to perpetual servitude as a Roman person, or slave.

Convocation of 1537

In which the Pope claims our Souls and without legal title over one's own soul, a man or woman may be "legally" denied right to stand as a person, but may be treated as a creature and thing without legally possessing a soul. Hence, why the Bar Association is able to legally enforce Maritime law against men and women- because they can be treated as things, cargo that does not possess a soul.

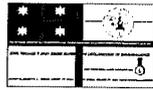

Not to mention the
Sacred Magisterium 1869 .
The infallibility of the Pope

18. Evil Symbols – Papal Bull

A Papal Bull is a formal document issued by a Roman Death Cult Pontiff upon a major act of law, curse or claim to extend the power of the Cult over its claimed domination of the world, all nations, all people, all law and all religions. All legitimate Papal Bulls were issued on human skin, usually the skin of a sacrificed child, or some famous heretic. Forgeries are on calf skin or some other lesser medium.

The first legitimate Papal Bull is probably around 1136 called Ex commisso nobis by Pope Innocent II in the claimed excommunication of the Saxon (German) Pope at Magdeburg.

Unfortunately, many of the key Papal Bulls are missing (such as 1249) and most have been deliberately forged over the centuries onto calf or sheep skin, to re-write history and hide their original form on human skin. However, it is unlikely the originals on the skin of those murdered by the Cult – especially children – have been destroyed as they remain the foundation of the Roman Death Cult and a core source of their supernatural power.

Any claimed Papal Bulls prior 1136 must be viewed as suspect and any alleged Papal Bulls prior to 1079 are complete frauds as the Roman Death Cult did not claim Rome as quasi-christians until Gregory VII against the founders of the Catholic Church, the Franks.

Forgeries and fraudulent Bulls on display

Unfortunately, the published and "official" version of most Papal Bulls prior to the 19th Century are deliberate fakes, with the words hardly representing anything like the original content.

This is especially significant for Papal Bulls representing historic Deeds and Wills in that such frauds when clearly noted constitutes fundamental and fatal breach in the very trust laws first created by the Papacy.

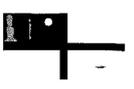

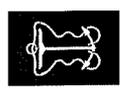

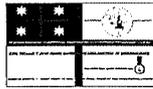

Therefore, such deliberate and conscious fraud of altering key Papal Bulls has resulted in the collapse of all the major Trusts and Testamentary Trusts of the Papacy. The continuation of obedience to such claimed authority itself is a fraud against the rules of Trusts and Property by which the whole world allegedly adheres and such organizations as the United Nations, the Bank for International Settlements are guilty of fundamental and gross fraud in recognizing the Vatican has any effective authority.

19. Catholic Church Always Crypto Jewish

The Roman Church is anything but a “Christ-instituted Church.” Indeed, let me state bluntly that the Roman Catholic Church is not a Christian church at all. The Roman Catholic Church has almost no doctrinal agreement with biblical Christianity.

Talmudic Jews, over the years, have been in conflict with the Roman Church; but periodic conflict does not change the historical synergy between the two in their fight against their common enemy: biblical Christianity. The synergy between the Vatican and Talmudic Jews is in part explained by the fact that the Roman Catholic Church was established by crypto-Jews as a false “Christian” front for their Babylonian religion. Both Judaism and Catholicism are based upon Babylonian mysteries.

From the beginning, the Christian church was in a spiritual struggle against Judaism. Judaism could not win in a head-to-head spiritual contest against Christianity. It was necessary for the Jews to throw their efforts behind undermining the Christian church by injecting it with a Judaic contagion. Their long-term strategy was to change the Christian church from the inside-out, to align more closely with their Judaic/Babylonian theosophy.

The Judaizing strategy resulted ultimately in the establishment of the Catholic Church. There is historical evidence for the common Babylonian lineage between Judaism and Roman Catholicism.

After the fall of Jerusalem, Cabalistic Jews migrated to Alexandria where they synthesized their Chaldean witchcraft with Neo-Platonic philosophy and cloaked that religion in Christian terminology.

They then tried to introduce this new heathen gnostic philosophy into the fledgling Christian Church. The penetration of the true spiritual church of Christ was futile. What this Jewish gnosticism did accomplish was the creation of a new ersatz “Christian” church, which grew into what we know today as the Roman Catholic Church. Those facts have been concealed from the historical accounts of the Catholic Church.

20. JUDEO BABYLONIAN INFLUENCE

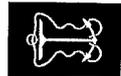

We can see the Judeo/Babylonian influence in the organization of the Roman Catholic Church. The Vatican College of Cardinals is the Roman Catholic version of the Jewish Sanhedrin. The College of Cardinals, like the Sanhedrin, has traditionally had 71 members. However, that number has been expanded in modern times. The members of the College of Cardinals are called Cardinals for a reason. Cardinal means chief, principal, preeminent, or fundamental. The Catholic Cardinals fill the office of the Jewish “Chief” Priests who, along with the scribes and elders, were members of the Sanhedrin.

The Sanhedrin selected the High Priest who was the head of the Sanhedrin, just as the Cardinals select a Pope who is the head of the College of Cardinals. The seventy-first member of the Sahehdrin is the High Priest. The Catholic corollary to the High Priest is the Pope, who as head has traditionally been the seventy-first member of the College of Cardinals.

All of the religions are just a huge scam on humanity – they are all just part of this mafia system set up by the Roman Piso family when they CREATED Christianity and Islam and every religion since – They wrote the Bible and Koran – they also CREATED Jesus and Satan and every character in the Bible apart from the very few historical characters – there was NO fledging Christianity as the Pagans worshiped SUN Gods with the EXACT same story as Jesus but they knew their MYTHS were NOT to be taken literally. The people at the top of these religions are not religious – they know that they are all just a scam to keep the people on their knees and fighting each other while they maintain power and rob the people of their wealth and resources as is being exposed by Professor George Lees video timeline right up to the Rothschild's involvement today here:

<https://www.youtube.com/user/KelsonianSmithsonian/videos>

o FREEDOM !

Following the trial, on 23 August 1305, Wallace was taken from the hall to the Tower of London, then stripped naked and dragged through the city at the heels of a horse to the Elms at Smithfield.[30] He was hanged, drawn and quartered — strangled by hanging, but released while he was still alive, emasculated, eviscerated and his bowels burned before him, beheaded, then cut into four parts. His preserved head (dipped in tar) was placed on a pike atop London Bridge. It was later joined by the heads of the brothers, John and Simon Fraser. His limbs were displayed, separately, in Newcastle upon Tyne,

A good part of that organization I have transported direct to my own party. The Catholic Church must be held up as an example. I will tell you a secret. I am founding an order. ” The society will be dominated by an elite of persons free from traditional values who will have no doubt in fulfilling their objectives by means of purged techniques with which they will influence the behavior of people and will control and watch the society in all details. ” And at the same time the consciousness of being at war, and therefore in danger, makes the handing-over of all power to a small caste seem the natural, unavoidable condition of survival... It does not matter whether the war is actually happening, and, since no decisive victory is possible, it does not matter whether the war is going well or badly. All that is needed is that a state of war should exist... The war, therefore, if we judge it by the standards of previous wars, is merely an imposture. It is like the battles between certain ruminant animals whose horns are set at such an angle that they are incapable of hurting one another. But though it is unreal it is not meaningless. It eats up the surplus of consumable goods, and it helps to preserve the special mental atmosphere that a hierarchical society needs. War, it will be seen, is now a purely internal affair. In the past, the ruling groups of all countries, although they might recognize their common interest and therefore limit the destructiveness of war, did fight against one another, and the victor always plundered the vanquished. In our own day they are not fighting against one another at all. The war is waged by each ruling group against its own subjects, and the object of the war is not to make or prevent conquests of territory, but to keep the structure of society intact. The very word ‘war’, therefore, has become misleading. It would probably be accurate to say that by becoming continuous war has ceased to exist. ” – George Orwell

” In the country of the blind, the one-eyed man is king ” – Erasmus

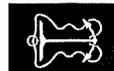

“There’s no way to rule innocent men. The only power any government has is the power to crack down on criminals. Well, when there aren’t enough criminals, one makes them. One declares so many things to be a crime that it becomes impossible for men to live without breaking laws.” – Ayn Rand

by seeker401 on February 1, 2015.

The Vatican created a world trust using the birth certificate to capture the value of each individual's future productive energy. Each state, province and country in the fiat monetary system, contributes their people's value to this world trust identified by the SS, SIN or EIN numbers (for example) maintained in the Vatican registry. Corporations worldwide (individuals became corporate fictions through their birth certificate) are connected to the Vatican through law (Vatican to Crown to BAR to laws to judge to people) and through money (Vatican birth accounts value to IMF to Treasury (Federal Reserve) to banks to people (loans) to judges (administration) and sheriffs (confiscation).

Judges administer the birth trust account in court matters favoring the court and the banks, acting as the presumed "beneficiary" since they have not properly advised the "true beneficiary" of their own trust. Judges, attorneys, bankers, lawmakers, law enforcement and all public officials (servants) are now held personally liable for their confiscation of true beneficiary's homes, cars, money and assets; false imprisonment, deception, harassment, and conversion of the true beneficiary's trust funds.

The Importance of Motu Propria by Pope Francis

According to the New Advent Catholic Encyclopedia, Motu Propria in Latin stands for "of his own accord" and is the name given to an official decree by a Pope personally in his capacity and office as supreme sovereign pontiff and not in his capacity as the apostolic leader and teacher of the Universal Church. To put it more bluntly, a Motu Propria is the highest form of legal instrument on the planet in accordance to its provenance, influence and structure to the Western-Roman world, over riding anything that could be issued by the United Nations, the Inner and Middle Temple, the Crown of Great Britain or any other Monarch and indeed by any head of state or body politic. If you are a member of the United Nations, or recognized by the United States or the United Kingdom or have a bank account anywhere on the planet, then a Motu Propria is the highest legal instrument, no question.

In the case of the Motu Propria issued by Pope Francis on July 11th 2013, it is an instrument of several functions and layers.

In the first instance, it may be legally construed to apply to the local matters of the administration of the Holy See.

In the second instance, the document relates to the fact that the Holy See is the underpinning to the whole global system of law, therefore anyone holding an office anywhere in the world is also subject to these limits and that immunity no longer applies.

Thirdly, we see the Holy See and the Universal Church clearly separating itself from the nihilist world of the professional elite who continue, to be proven time and time again, to be criminally insane, bark raving mad and with no desire to do anything honorable until they are torn from power by anyone, any body who cares for the law.

The age of the Roman Cult, as first formed in the 11th Century and that hijacked the Catholic Church first formed by the Carolingians in the 8th Century, then the Holly Christian Empire or Byzantine Church by the 13th Century and the world at large by the 16th Century ceased to exist around March 14th 2013 upon the election of Pope Francis.

This document issued by Pope Francis is historic on multiple levels, but most significant above all others in that it recognizes the supremacy of the Golden Rule, the same teaching ascribed to Jesus Christ and the intimate connection to the Rule of Law, that all are subject to the rule of law, no one is above the law.

To Sergeant Dennis Colverwell,
Auckland Central Police Station.
Dated Wednesday 29 April 2015

I request a Job sheet transcript of the file for the Incident of 1/61 Cook Street Property Complaint made by some one who Sergeant Tim Duthie responded to and came to ask me to leave the Land Property under an Authority he used to override and tamper with my Admiralty Maritime Mortgage Bank Land Conveyance Law which I am the Levy Debtors Creditor with Graeme Aylett Director of AYLETT INVESTIGATIONS LTD (Ex Scotland Yard Detective) to seize on this Land to defray Debts due and owed on a legal Private Contract between myself Corporate Company and the Fraud Landowners and their Lawyers. It was unlawful for third Parties to be involved with this defaulted Contract.

- 1/ Dennis I require Sergeant Tim Duthie Job No for the incident he attended in official writing under Police Station Jurisdiction for that Land Title Case to stop me and my ship of Admiralty Law Property Recovery with my Conveyance Lawyers and Private Investigator's
- 2/ A written Trespass Notice made by whoever against my name and Corporate and Private company's ~~with~~ the legal Private Defaulted Commercial Contract against the landowners James Pierce Brown and Simon Brent Rowntree payable

4/ A Criminal Complaint against me and my personal name and Corporate Company NA KHA E WA AOTEA LIMITED and Private Company "Moai Crown King William IV Trust"

5/ Time Dribble must state who made the complaint to the Station on that 31/3/2015 day and why on what grounds when I have legal authority to conduct Debt Collector Job with Documentation Allegiance to a Private Contract Commercial Levy Contract

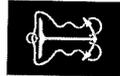

6/ What Jurisdiction did Sergeant Tim Plathie use to Trespass me while I have a Private Commercial Lien Contract over the land that belongs to my ancestors they commit Fraud on.

7/ The third Party's I named have no legal Debtors access to the Fraud land. Mortgage Instruments that cannot be legally challenged by anyone matters are closed. I have a copy of this complaint to you Dennis as my contract from Tom Cullen says for the record of events till the matter is resolved and those I accuse brought to trial in High Court of Admiralty Maritime Mortgage Fraud laws and broke New Zealand Admiralty Law Maritime laws

8/ This is a major Fraud Case that will find its way to those who I am calling to account as tampering with a Private Contract superior to a public complaint while a private contract Debtor's legal Debt is outstanding and is still mounting up legally against all those third party friends we add as accessories to the original Douglas Rikard - Bell Fraud Land Sale

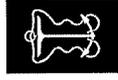

John Thomas 29 April 2015

- 9 April 2015
- 1 I want Tim Duthie arrested for perverting the Law of Mortgage Admiralty. Jurisdiction in France.
 - 2 What was the complaint about and who made the complaint in writing?

 - 6 Where is the written Trespass Notice that Sergeant Tim Duthie is talking about served on my person by the person making the Trespass on me in person. This is not a Police matter & Jurisdiction to speak about Trespass Notices at the whim of his legal Authority.
 - 7 Who is Tim Duthie getting his higher Jurisdiction from over me and my Private Investigator Ex Detective Evamee Pylett Director Pylett Investigations Limited contracted to recover the debts owed by James Brand Simon Pylett.
 - 8 I accused Tim Duthie of committing Fraud with the Landlords and Police.

Land conveyance lawyers to have Police third Party to my Private Contract

9 The Police had no business to enter into a Private Contract between two parties challenging a Land Title

10 It was the Land Conveyancing Lawyers duty to address this Contract Problem not the Police who should have stayed out of Contract

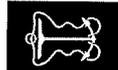

11 Now the Police are locked into a Contract as a third Party to the Fraud Land Title and can't get out of this Contract with my Private Investigator I contract to Recover the outstanding ~~levy~~ levy debts due and payable + interest since I seized the property on 12 March 2015

Notified Auckland Central Police and my Private Investigator Graeme Aylett Browns Bay to prepare to take over from me once I seize the land on Friday 10 April 2015 12:30pm

Dunthie fails to Revoke my Affidavit that I am alleging he conspired with the land owners James Browns and Susan Rowntree and their conveyance lawyers to corrupt the New Zealand law.

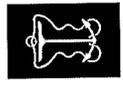

12 Please Sergeant Dennis Colverwell arrest the fraudster Tim Dunthie and the lawyers and Land owners and let me salvage the land to pay the debts Pay now one John White

By order of Pope Francis: All Bar Association licenses are extinguished

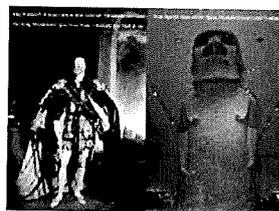

Posted on April 8, 2015 by David Robinson

Reference:

APOSTOLIC LETTER OF THE SUPREME PONTIFF FRANCIS

Anna addresses Cardinal George

All Bar Association licenses are extinguished.

- “There will be no seizure of the American retirement accounts, no false flags, no murder, no mayhem, no scalar weapons deployed.
- There will be no deceptive “offers” in commerce seeking to exchange gold for land or human capital under conditions of non-disclosure and deceit.
- There will be an end to this criminality and to the complacency of the Church and of the American Cardinals and Archbishops responsible for the **mis-administration of the courts.**

Or there will be Hell on earth, Cardinal George — literally, and it will not come against the innocent Americans. The Left Hand of God will come for those who are **responsible and unrepentant.**

The Treaty of Verona is extinguished.

All Bar Association licenses are extinguished.

By order of Pope Francis, all attorneys, all clerks, every member of the judicial system operating these frauds and oppressions **became 100% individually and commercially liable** as of September 1, 2013.

The banking cartels and governmental services corporations have been given three years to clean up their acts from top to bottom, to come into compliance with the Original Equity contract owed to the Americans, and to **stop operating in criminal default.**

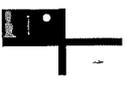

I suggest that you get over your idea that it is the voter’s responsibility.

May God bless you to the same extent that you bless others?

(COUNT 2) The Vatican created a world trust using the birth certificate to capture the value of each individual's future productive energy. Each state, province and country in the fiat monetary system, contributes their people's value to this world trust identified by the SS, SIN or EIN numbers (for example) maintained in the Vatican registry. Corporations worldwide (individuals became corporate fictions through their birth certificate) are connected to the Vatican through law (Vatican to Crown to BAR to laws to judge to people) and through money (Vatican birth accounts value to IMF to Treasury (Federal Reserve) to banks to people (loans) to judges (administration) and sheriffs (confiscation).

(COUNT 3) Judges administer the birth trust account in court matters favoring the court and the banks, acting as the presumed “beneficiary” since they have not properly advised the “true beneficiary” of their own trust.
(COUNT 4) Judges, attorneys, bankers, lawmakers, law enforcement and all public officials (servants) are now held personally liable for their confiscation of true beneficiary’s homes, cars, money and assets; false imprisonment, deception, harassment, and conversion of the true beneficiary’s trust funds.

The Importance of Motu Propria by Pope Francis

(COUNT 5) According to the New Advent Catholic Encyclopedia, Motu Propria in Latin stands for “of his own accord” and is the name given to an official decree by a Pope personally in his capacity and office as supreme sovereign pontiff and not in his capacity as the apostolic leader and teacher of the Universal Church. To put it more bluntly, (COUNT 6) a Motu Propria is the highest form of legal instrument on the planet in accordance to its provenance, influence and structure to the Western-Roman world, (COUNT 7) over riding anything that could be issued by the United Nations, the Inner and Middle Temple, the Crown of Great Britain or any other Monarch and indeed by (COUNT 8) any head of state or body politic. If you are a member of the United Nations, or recognized by the United States or the United Kingdom or (COUNT 9) have a bank account anywhere on the planet, then a Motu Propria is the highest legal instrument, no question.

(COUNT 10) In the case of the Motu Propria issued by Pope Francis on July 11th 2013, it is an instrument of several functions and layers.

(COUNT 11) In the first instance, it may be legally construed to apply to the local matters of the administration of the Holy See.

(COUNT 12) In the second instance, the document relates to the fact that the Holy See is the underpinning to the whole global system of law, therefore (COUNT 13) anyone holding an office anywhere in the world is also subject to these limits and that immunity no longer applies.

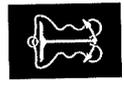

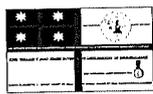

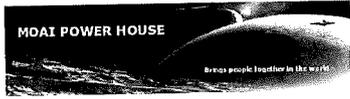

(COUNT 13) Thirdly, we see the Holy See and the Universal Church (COUNT 14) clearly separating itself from the nihilist world of the professional elite who continue, to be proven time and time again, to be criminally insane, bark raving mad and with no desire to do anything honorable (COUNT 15) until they are torn from power by anyone, anybody who cares for the law.

(COUNT 16) The age of the Roman Cult, as first formed in the 11th Century and that hijacked the Catholic Church first formed by the Carolingians in the 8th Century, then the (COUNT 17) Holly Christian Empire or Byzantine Church by the 13th Century and the world at large by the 16th Century ceased to exist around March 14th 2013 upon the election of Pope Francis.

(COUNT 18) This document issued by Pope Francis is historic on multiple levels, but most significant above all others in that it recognizes the supremacy of the Golden Rule, the same teaching ascribed to Jesus Christ and the intimate connection to the Rule of Law, that all are subject to the rule of law, no one is above the law.

thanks to intrigued for the link..

well..did he?

and if he did..why have we not heard more of it?

understand this:

(COUNT 19) “the Holy See is the underpinning to the whole global system of law, therefore anyone holding an office anywhere in the world is also subject to these limits and that immunity no longer applies.”

and here:

(COUNT 20) “it recognizes the supremacy of the Golden Rule, the same teaching ascribed to Jesus Christ and the intimate connection to the Rule of Law, that all are subject to the rule of law, no one is above the law.”

we are all under roman catholic law..and you didnt even know it..

(COUNT 21) “Motu Propria is the highest form of legal instrument on the planet in accordance to its provenance, influence and structure to the Western-Roman world, over riding anything that could be issued by the United Nations, the Inner and Middle Temple, the Crown of Great Britain or any other Monarch and indeed by any head of state or body politic.”

(COUNT 22) APOSTOLIC LETTER ISSUED MOTU PROPRIO

(COUNT 23) OF THE SUPREME PONTIFF FRANCIS

(COUNT 24) ON THE JURISDICTION OF JUDICIAL AUTHORITIES OF VATICAN CITY STATE

IN CRIMINAL MATTERS

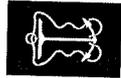

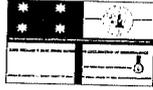

(COUNT 25) In our times, the common good is increasingly threatened by transnational organized crime, the improper use of the markets and of the economy, as well as by terrorism.

(COUNT 26) It is therefore necessary for the international community to adopt adequate legal instruments to prevent and counter criminal activities, by promoting international judicial cooperation on criminal matters.

(COUNT 27) In ratifying numerous international conventions in these areas, and acting also on behalf of Vatican City State, the Holy See has constantly maintained that such agreements are effective means to prevent criminal activities that threaten human dignity, the common good and peace.

(COUNT 28) With a view to renewing the Apostolic See’s commitment to cooperate to these ends, by means of this Apostolic Letter issued Motu Proprio, I establish that:

(COUNT 29) 1. The competent Judicial Authorities of Vatican City State shall also exercise penal jurisdiction over:

(COUNT 30) a) crimes committed against the security, the fundamental interests or the patrimony of the Holy See;

b) crimes referred to:

(COUNT 31) - in Vatican City State Law No. VIII, of 11 July 2013, containing Supplementary Norms on Criminal Law Matters;

(COUNT 32) - in Vatican City State Law No. IX, of 11 July 2013, containing Amendments to the Criminal Code and the Criminal Procedure Code;

when such crimes are committed by the persons referred to in paragraph 3 below, in the exercise of their functions;

(COUNT 33) c) any other crime whose prosecution is required by an international agreement ratified by the Holy See, if the perpetrator is physically present in the territory of Vatican City State and has not been extradited.

(COUNT 34) 2. The crimes referred to in paragraph 1 are to be judged pursuant to the criminal law in force in Vatican City State at the time of their commission, without prejudice to the general principles of the legal system on the temporal application of criminal laws.

(COUNT 35) 3. For the purposes of Vatican criminal law, the following persons are deemed "public officials":

(COUNT 36) a) members, officials and personnel of the various organs of the Roman Curia and of the Institutions connected to it.

(COUNT 37) b) papal legates and diplomatic personnel of the Holy See

(COUNT 38) c) those persons who serve as representatives, managers or directors, as well as persons who even de facto manage or exercise control over the entities directly dependent on the Holy See and listed in the registry of canonical juridical persons kept by the Governorate of Vatican City State;

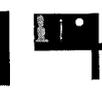

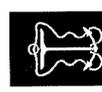

(COUNT 39) d) any other person holding an administrative or judicial mandate in the Holy See, permanent or temporary, paid or unpaid, irrespective of that person's seniority.

(COUNT 40) 4. The jurisdiction referred to in paragraph 1 comprises also the administrative liability of juridical persons arising from crimes, as regulated by Vatican City State laws.

(COUNT 41) 5. When the same matters are prosecuted in other States, the provisions in force in Vatican City State on concurrent jurisdiction shall apply.

(COUNT 42) 6. The content of article 23 of Law No. CXIX of 21 November 1987, which approves the Judicial Order of Vatican City State remains in force.

(COUNT 43) This I decide and establish, anything to the contrary notwithstanding.

(COUNT 44) I establish that this Apostolic Letter issued Motu Proprio will be promulgated by its publication in L'Osservatore Romano, entering into force on 1 September 2013.

(COUNT 79) The Importance of Motu Propria by Pope Francis

(COUNT 80) According to the New Advent Catholic Encyclopedia, Motu Propria in Latin stands for "of his own accord" and is the name given to an official decree by a Pope personally in his capacity and office as supreme sovereign pontiff and not in his capacity as the apostolic leader and teacher of the Universal Church. To put it more bluntly, (COUNT 81) a Motu Propria is the highest form of legal instrument on the planet in accordance to its provenance, influence and structure to the Western-Roman world, over riding anything that could be issued by the United Nations, the Inner and Middle Temple, the Crown of Great Britain or any other Monarch and indeed by any head of state or body politic. (COUNT 82) If you are a member of the United Nations, or recognized by the United States or the United Kingdom or have a bank account anywhere on the planet, then a Motu Propria is the highest legal instrument, no question.

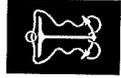

(COUNT 83) In the case of the Motu Propria issued by Pope Francis on July 11th 2013, it is an instrument of several functions and layers.

(COUNT 84) In the first instance, it may be legally construed to apply to the local matters of the administration of the Holy See.

(COUNT 85) In the second instance, the document relates to the fact that the Holy See is the underpinning to the whole global system of law, therefore anyone holding an office anywhere in the world is also subject to these limits and that immunity no longer applies.

(COUNT 86) Thirdly, we see the Holy See and the Universal Church clearly separating itself from the nihilist world of the professional elite who continue, to be proven time and time again, to be criminally insane, bark raving mad and with no desire to do anything honorable (COUNT 87) until they are torn from power by anyone.

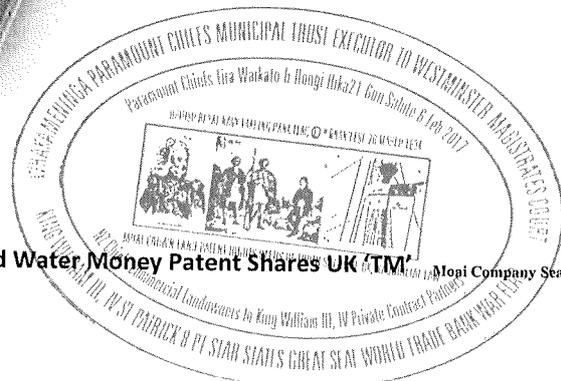

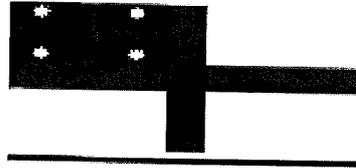

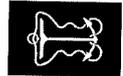

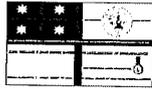

anybody who cares for the law.

(COUNT 88) The age of the Roman Cult, as first formed in the 11th Century and that hijacked the Catholic Church first formed by the Carolingians in the 8th Century, then the Holly Christian Empire or Byzantine Church by the 13th Century and the world at large by the 16th Century (COUNT 89) ceased to exist around March 14th 2013 upon the election of Pope Francis.

(COUNT 90) This document issued by Pope Francis is historic on multiple levels, but most significant above all others in that it recognizes the supremacy of the Golden Rule, the same teaching ascribed to Jesus Christ and the intimate connection to the Rule of Law, that all are subject to the rule of law, no one is above the law.

Admiralty Court Private Prosecution

Dear Judge Mackey,

'Native Court of Admiralty Rulers'

Nā Atua E Wa Aotearoa Ltd
Moai Crown Corporation
426/2 Tapora Street 1010
Auckland - New Zealand

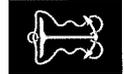

As a Private Prosecutor and Customary Legal Advisor, I am writing to you to register my complaints, affidavits. Against the entire natural persons and corporate persons, in personams, I accuse as alleged convicted fraud criminals. Identified within these 26 documents, with the last 27th page of King William IV Rear Admiral, First Lord High Admiral of the Fleet 1830-1838. As Moai Jurisdiction and proof of Claim to all I have sworn in front of the Notary Public High Court Barrister "You Taek CHOI".

We have sufficient evidence to support all our claims in dated Affidavits before and after they committed fraud offences. The Confederation conducted these cases in our "Moai Crown" Confederation Native Court, which is a Legal recognized Moai Hapu Maori Government with the correct Legal Representative QC Criminal Barrister Charl Hirschfeld here in Auckland New Zealand representing the Confederation. You can contact him to get his approval of our organization with our Prime Minister Sue Nikora his Auntie and he represents the Chief of the Confederation Flag Jurisdiction of King William IV. Kingi Taurua. I represent Kingi and Sue Nikora as Native Hapu Customary Legal Advocate Moai Royal Tahitian Monarch Sovereign Assignee. They will be going to the United Nations in a diplomatic delegation to claim our Maori, Moai Confederation Seat on the United Nations Council for Aotearoa New Zealand Country Administration of self-government Authority, under British Rule of Law, using King William IV Admiralty Flag Rule of Law Jurisdiction. You will notice that we have four flags of Jurisdiction. 1/ British Defense Force Flag. 2/ King William IV Crown Defense Force Admiralty Flag 1830-1838 Jurisdiction. 3/ "Moai Crown" Confederation Flag Jurisdiction. 4/ Moai Hapu 1835 Declaration of an Independent Sovereign State Nation Flag Jurisdiction The Confederation requests the Lower House of Parliament London to shift the Moai Hapu 1835 Declaration of Independence Flag from the Lower House of Westminster Parliament to the Upper house of Parliament. This Flag is a Bank Trade Commercial Contract with King William IV As a British Government obligation to Moai Hapu, your business partner fixed into Statute Law in Westminster Parliament 28 October 1835 extant forever.

It is my wish as a Senior Legal Advocate of my Native NZ People for you a respective Judge to hear any of our cases that accused respondents as lien debtors responds if any, in a counter affidavit to our claims. Then we expect a full hearing in your High Court under your direction of Admiralty Jurisdiction Law. To adjudicate and rule on any legal matters of British Admiralty Law as it is today, applies to "Moai Crown" Confederation Law and money currency on a par with your system of Land Law Finance, Commercial Law Rules. We are not using New Zealand Law, Moai alleges is corrupt. There is evidence here in our claim to show you clearly that Australia Government influenced the New Zealand Government to commit treason. Using their Maritime Mortgage Land title interests, for their own Corporations in personam financial economic benefit using offshore Companies and Corporations for their own wealth business. Without telling the citizens they are committing the crimes of a nature we complain to you about now. The "Commonwealth of Australia" is now a Corporation of Consolidated Land titles registered in America under their Admiralty Law and Maritime Law we find offensive as your legal partner you should be concerned about. That is seriously a loss of revenue and business to British Government yourself the Queens Bench and British Defense Force. It is not acceptable to us disregarded Britain they cut off your parenthood. Thinking they can rule our land with their false jurisdiction of the Mace OAR they

If the aforesaid validly establishes that the Constitution Act (but not the Constitution) may be amended or repealed without a referendum, could this also mean that there may be scope to do the same with the Constitution itself given that the Constitution is part of the Constitution Act?

DEFAULT LIEN CHARGED FOR MIXED WAR FRAUD & TREASON 29 August 2013

A High Court judgement^[61] summarises the effect of s 51 (xxxviii) of the Constitution as it was interpreted in Port MacDonnell Professional Fishermen's Assn Inc v South Australia (1989) 168 CLR 340 thus:

The effect of s 51 (xxxviii) is to empower the Parliament 'to make laws with respect to the local exercise of any legislative power which, before federation, could not be exercised by the legislatures of the former Australian colonies'. It represents an actual enhancement of the legislative powers of the States because 'it confers, by implication, power upon the Parliament of a State to participate in the legislative process which the paragraph requires, namely request (or concurrence) by a State Parliament and enactment by the Commonwealth Parliament. There is a potential enhancement of State legislative powers because the Parliaments of the States are the potential recipients of legislative power under a law made pursuant to the paragraph. Any room for an inhibition against giving to the grant in s 51 (xxxviii) its full scope and effect by reason of what was once the status of the Commonwealth itself within the British Empire no longer applies.

Now, s 51 (xxxviii) is subject to the Constitution. That being the case, does s 51 now have the effect to void any law made to amend or repeal the Constitution under s 15 (1) of the Australia Act 1986 (Cth) given the High Court has now put to rest any doubts as the validity of this Act?
^[62] If the answer is 'Yes', could a similar effort under s 15 (1) of the Australia Act 1986 (UK) overcome this technicality?

AUSTRALIA ACT 1986 (UK)

The Australia Act 1986 (UK) is a British statute. It is a fundamental or higher law which prevails over ordinary laws and it cannot be altered by any one Australian legislature acting unilaterally. Its force in Australia now must rest on the authority of the Australian legislatures empowered to alter the Act under S 15 of the Act.^[63]

This act has its source in the Statute of Westminster (section 4 of the Statute was then available) and was passed in case the Australia Act 1986 (Cth) was found to be invalid.^[64]

Theoretically, the combination of Parliaments specified in s 15 (1) of the Australia Act (UK) may not be bound by the opening words of s 128^[65] (of the Constitution), as may apply to the Australia Act 1986 (Cth), to enact legislation to repeal or amend section 8 of the Statute of Westminster, 1931. Such Commonwealth legislation would technically be an amendment to the Australia Act (UK) and thus, being a later enactment with the same force as British legislation applying by paramount force, would effectively amend or repeal the provisions of the Constitution Act.^[66] Whether or not the High Court would or could conclude this is not possible is yet to be determined.

10 Termination of responsibility of United Kingdom government in relation to State matters

After the commencement of this Act Her Majesty's Government in the United Kingdom shall have no responsibility for the government of any State.

29 August 2013

Hoani Kahaki Wanoa 'Creditor'

The Constitution as in force on 1 January 2012 together with proclamation declaring the establishment of the Commonwealth, letters patent relating to the Office of Governor-General, Statute of Westminster Adoption Act 1942, Australia Act 1986.

MOAI CROWN AFFIDAVIT! 17 June 2013 used as Evidence to our FRAUD CASE against Australian and New Zealand Prime Ministers and the QUEEN of ENGLAND JULIA GILLARD, JOHN KEY, JERRY MATEPARAE and ELIZABETH WINDSOR!

The Australian Constitution has properly been described as 'the birth certificate of a nation'. It also provides the basic rules for the government of Australia. Indeed, the Constitution is the fundamental law of Australia binding everybody including the Commonwealth Parliament and the Parliament of each State. Accordingly, even an Act passed by a Parliament is invalid if it is contrary to the Constitution.

Red box statement 'Act of Parliament' is the Offense

Since that time, Australia has become an independent nation, and the character of the Constitution as the fundamental law of Australia is now seen as resting predominantly, not on its status as an Act of the British Parliament, which no longer has any power over Australia, but on the Australian people's decision to approve and be bound by the terms of the Constitution.

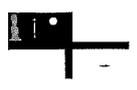

Red box statement 'Act of Parliament' is the Offense

Before a proposed law (commonly referred to as a Bill) becomes an Act of Parliament it must be passed by both the House of Representatives and the Senate. The Bill is then presented to the Governor-General who assents to it in the Queen's name (section 58). A Bill becomes an Act of Parliament when it receives this assent. Nearly all Bills which subsequently become Acts of Parliament are proposed by the Government - that is, the parliamentary party or coalition of parties which holds a majority of seats in the House of Representatives.

Nearly means not quite or not at all for the benefit of the doubt MOAI says is LOOSE!

The Constitution itself is contained in clause 9 of the British Act. The first eight clauses of the British Act are commonly referred to as the 'covering clauses'. They contain mainly introductory, explanatory and consequential provisions. For example, covering clause 2 provides that references to 'the Queen' (meaning Queen Victoria, who was British sovereign at the time the British Act was enacted) shall include references to Queen Victoria's heirs and successors.
